

REMARKS

Claim Rejections

Claims 1-6 are objected to for informalities set forth in the outstanding Office Action. Claims 1-6 would be allowable if amended to overcome the objections set forth in the outstanding Office Action.

Drawings

It is noted that the Examiner has accepted the drawings filed on December 1, 2004.

Claim Amendments

By this Amendment, Applicant has amended claims 1-6 to obviate the objections set forth in the outstanding Office Action. It is believed that amended claims specifically sets forth each element of Applicant's invention in full compliance with 35 U.S.C. § 112.

Since claims 1-6 have been indicated as being allowable if rewritten or amended to overcome the objection(s) set forth in the outstanding Office Action, no detailed discussion of the cited prior art references is believed to be necessary.

Summary

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,
